**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I live in the country and have a small local internet provider who is fantastic & affordable. We have no cable and never will because we are a very small community. My communications provider is very good and I do not want to lose their service. This is the only internet/communications source we have. Please do not screw it up by letting big telecom take over.
